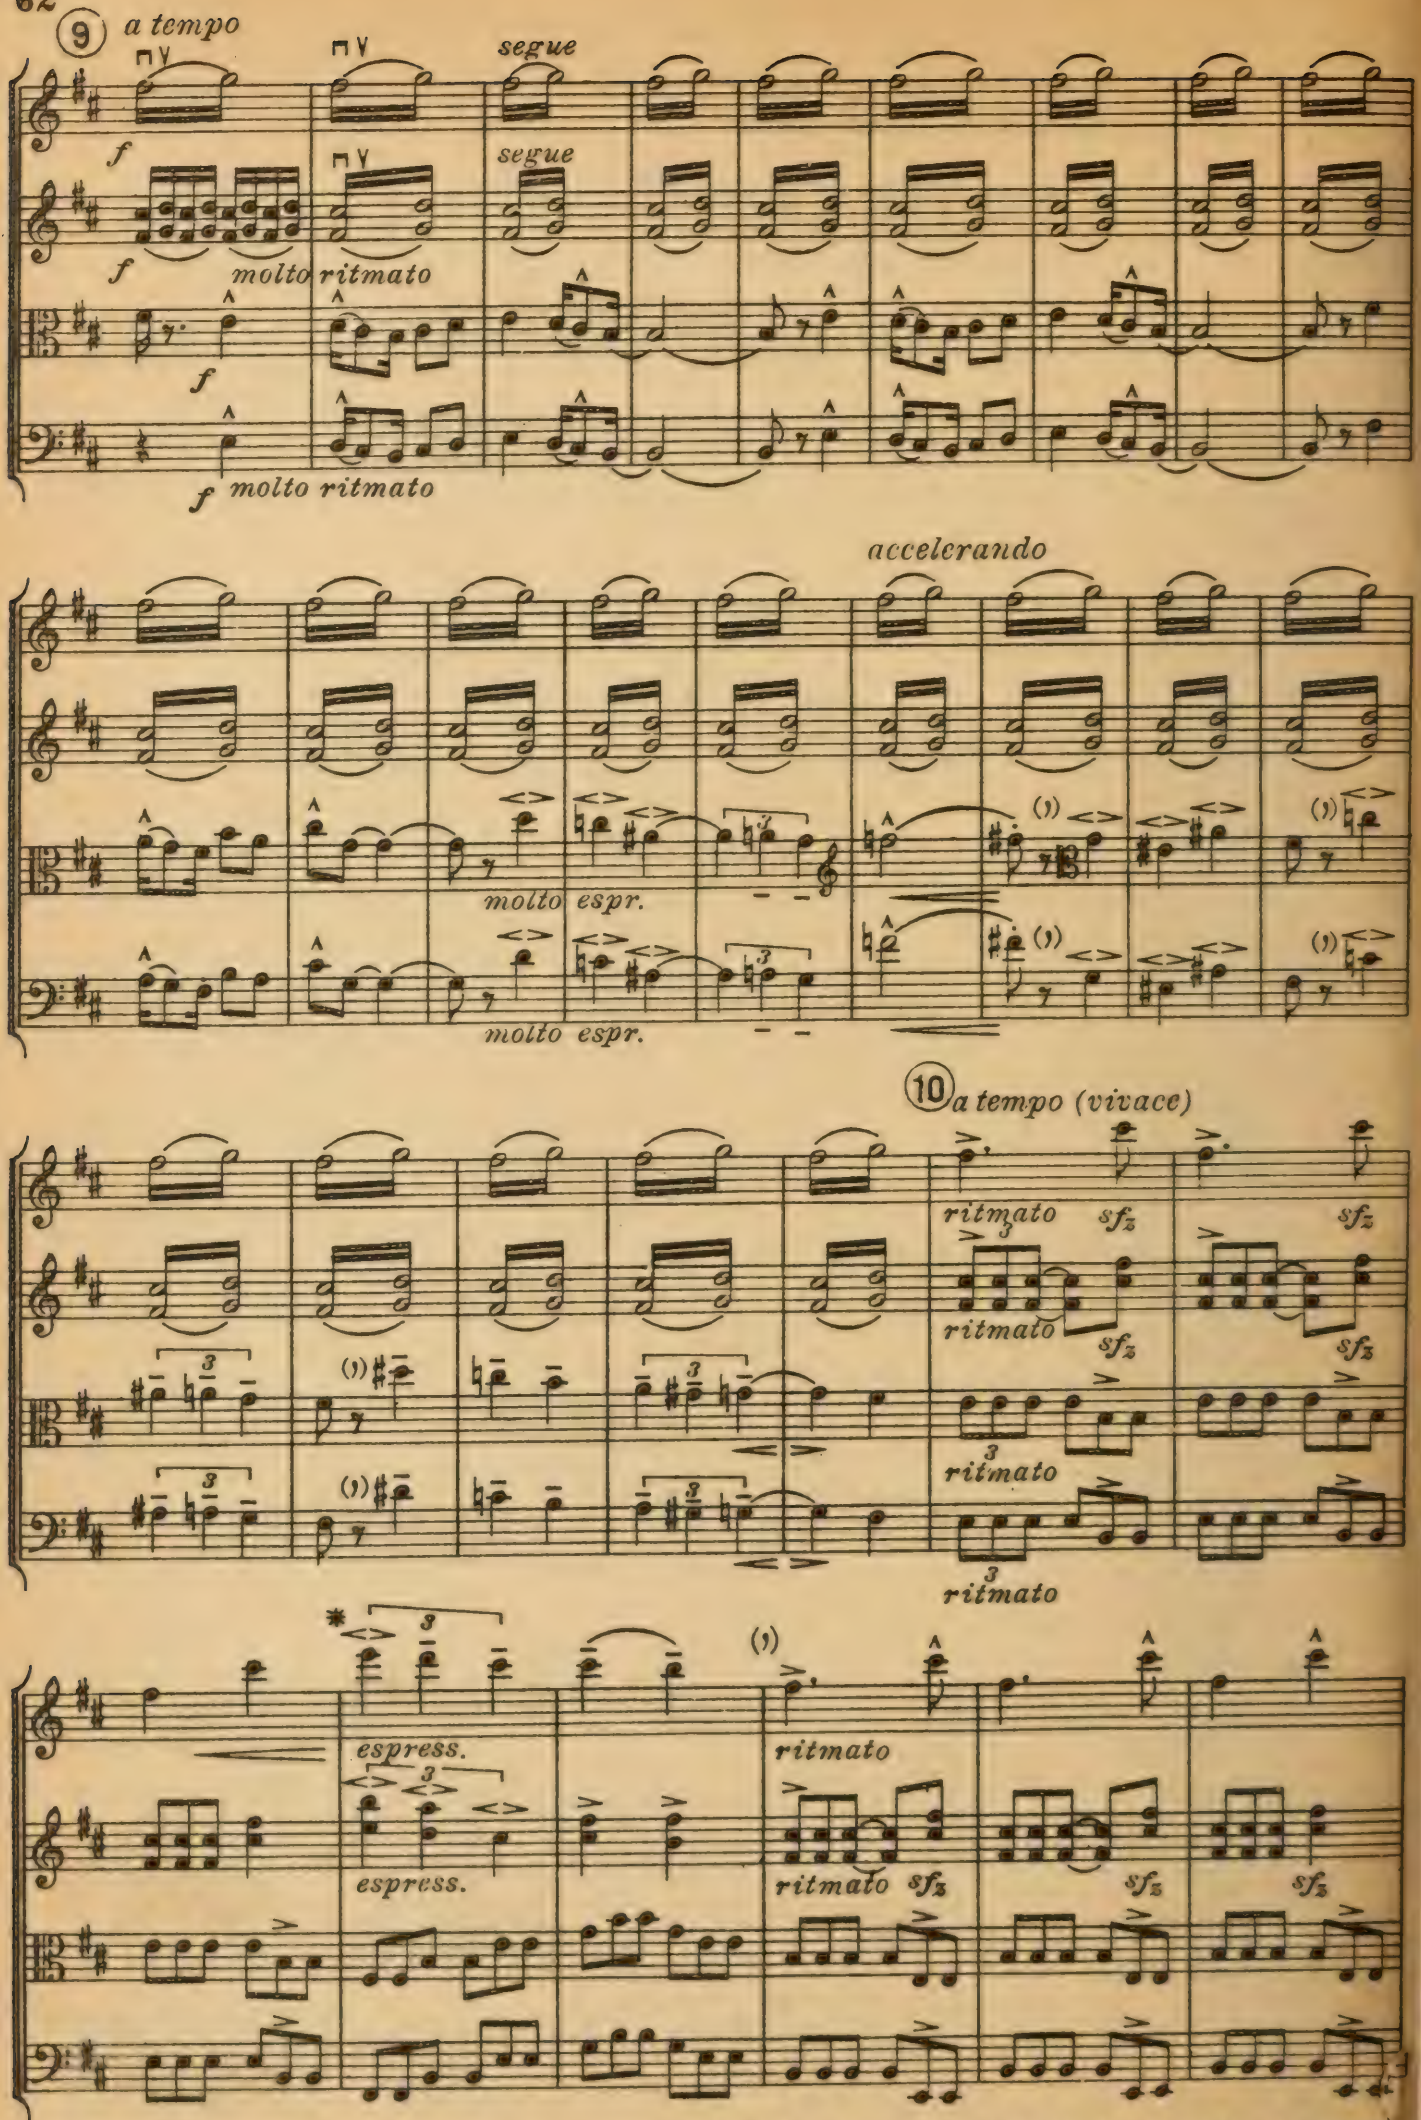
* The entire following passage, also the similar one further on, like a long, free melisma, with no stress whatever on the measure-accents.

* Tout le passage qui suit, ainsi que le similaire plus loin, comme une longue mélopée, sans aucunement faire sentir la barre de mesure.



* Similarly: the melody entirely independent of the measure-accent and very freely accentuated, without regard to the other rhythms.

* De même : la mélodie tout à fait indépendante de la barre de mesure et très librement accentuée, sans souci des autres rythmes.
